

# Video Visits Quick Start

---

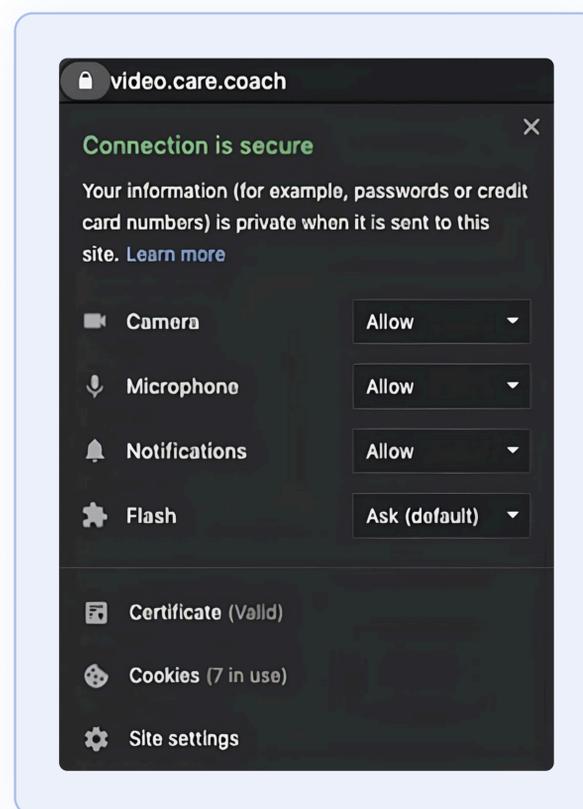

Log into the portal.care.coach using "Sign in with Microsoft"

1

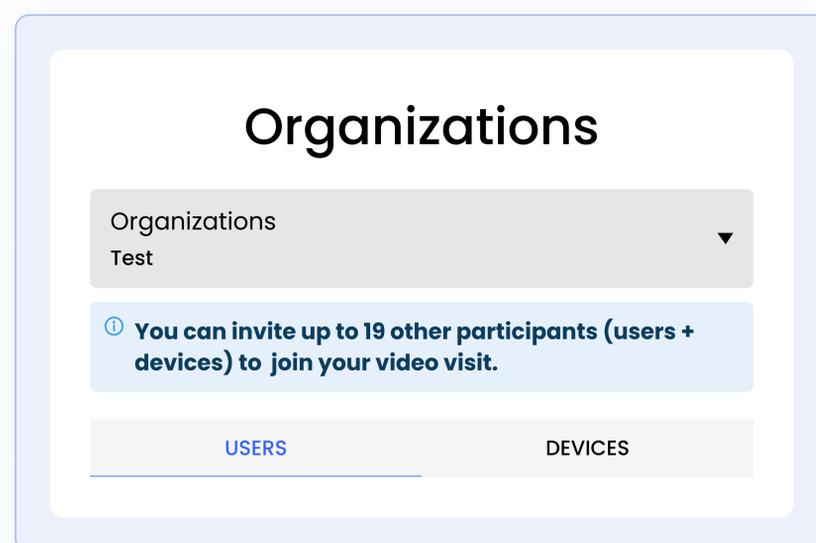

Check your **settings** to make sure your mic and camera work.

2

Click "Organization" & select from the drop down option(s) to enter into a visit group. Once in an organization, there are **Users** (people who have accounts) and **DeviceIDs** (people who have care.coach devices).

3

Click **invite** next to a User or Device to get a visit started.
